PREPERATION FOR EGD

Esophagogastroduodenscopy

1. Do not eat any solid foods after midnight the night before your procedure.
2. Clear Liquids only up to 6 hours before your procedure. This includes water, sprite, 7-Up, ginger ale or tea (plain with no cream or sugar), apple juice, clear grape juice, beef or chicken broth.

*****NOTHING TO DRINK AT ALL 4 HOURS BEFORE YOUR PROCEDURE*****

(With the exception of a sip of water (no more than 2oz) with morning medications)

3. Arrange to take the day off work, since an anesthesia will be administered. **You must have someone drive you home after the procedure.** We cannot release you to a cab or bus. (EOB excluded)
4. Please **DO NOT** bring any valuables with you to the facility. This includes: jewelry (necklaces, bracelets, rings, earrings, etc.) cell phones, money (with the exception of the required co-payment or deductible amount), and medications. **PLEASE MAKE SURE YOU BRING YOUR INSURANCE CARD AND PICTURE ID**
5. **DIABETIC PATIENTS:**
DO NOT take insulin or any oral diabetic medication the morning of the procedure. **Be sure to check your blood sugar in the morning and bring results to the facility.** If your blood sugar is low, drink a 4oz orange juice with no pulp early in the morning.
6. **STOP** your Coumadin 3 days before your scheduled procedure unless otherwise instructed by your physician.
7. If antibiotics are required before your procedure, you will be given a prescription provided by your physician. Obtain the medication at your pharmacy and take the tablets the morning of your procedure as directed with a sip(s) of water enough to swallow the tablets.
8. Please complete the medication list provided in your paperwork as accurately as possible and bring this list with you to the facility.
